More details are shown in the screenshots:

Screenshots for high-fi:
In the home page, click the "Get Started" button to get into the product page. Notice that in the Cart(0), 0 indicates that there is no product in the cart now.

In the product page, click the + button of the second product whose detail page is designed.

In the detail page, there are different options for the user. If you click on the Add to cart button, you'll see Cart(1) on the upright part of the page options. The number changes from 0 to 1. Click on Cart(0) or press the Go to cart button to check the Cart page, there is one item there.
